Saša Mršić

Full-stack Developer | UI/UX Developer

I bring an engineering perspective and creative problem-solving approach to create products and experiences people love to use. Persistence, curiosity and an obsessive attention to detail define me. With a background in information systems, experience as a web designer and both front-end and back-end developer.

Experience

Co-founder / CEO @ Virtual Wizards May '17 - Present

Responsible for project-management, design, prototyping, front-end and back-end development of web sites and web applications.

Full-stack Developer @ GP KRK April '14 - April '16

Development of complex intranet business web applications. Mockups, wireframing, data modeling, database administration, back-end in PHP, front-end in JS/jQuery, UI in HTML5/CSS3.

Education

Bachelor, Information Technology Sept '06 - May '12

Polytechnic of Rijeka, Croatia (EU)

Hotel and tourist technician Sept '02 - June '06

High school "Hrvatski Kralj Zvonimir", Krk, Croatia
